CIC*, Open Preliminary, Intermediate/Preliminary, Training**

August 7, 2009 MANSFIELD, Ontario

Canada and USA tie for top spots in final day of dressage at the Wits End Horse Trials FEI World Cup™ qualifier (Mansfield). Just as day one of competition, the weather held out and spectators and riders enjoyed a fabulous day to view outstanding dressage with an international field of riders from Canada, USA, and Australia.

CIC*** Leaders:

- 1st place Bruce Davidson Jr. (USA) and My Boy Bobby
- 2nd Philip Dutton (USA) and Woodburn
- 6th Karl Slezak (CAN) and Charley Farley
- 7th Jessica Pheonix (CAN) and Exponential

Competition continues today with cross country and a new course designed by David O'Connor, a former Olympic gold medal winner in Eventing for the United States in Sydney. "David has made the course bigger this year," said Jo Young, co owner with Bill McKeen of Wits End Farm and the Wits End Horse Trials. "There's more room for galloping and the fences are extremely challenging."

This is the 6th year in a row that Wits End Farm has hosted the prestigious equestrian event. Over 120 riders will compete and 2,000 people are expected to attend the four day competition. Wits End Horse Trials is the only FEI World Cup Qualifier in Canada.

La compétition continue aujourd'hui avec le cross-country et un nouveau parcours conçu par David O'Connor, un gagnant du médaille d'or olympique de concours complet pour les États-Unis à Sydney. « David a rendu le parcours encore plus grand cette année, » a dit Jo Young, copropriétaire avec Bill McKeen de la ferme Wits End et le concours complet à Wits End. « Il y a plus d'espace pour galoper et les obstacles présentent un énorme défi. »

C'est la 6^e année que Wits End accueille cet événement équestre prestigieux. Plus de 120 cavaliers et cavalières participeront et 2000 personnes assisteront à la compétition de quatre jours. Le concours complet à Wits End est la seule éliminatoire de la Coupe mondiale FEI au Canada.
